Contact: onehealthatcal@gmail.com

Link: <http://onehealthstudentinitiative.weebly.com/events-calendar.html>

7. Brief History of Your Organization's One Health Involvement

The One Health Student Initiative at Berkeley was founded in January 2016 by a group of undergraduate students ranging from a variety of disciplines, interested in pursuing careers in human medicine, veterinary medicine, environmental sciences, natural resources, and research with the goal of promoting interdisciplinary efforts between these seemingly disparate fields.

8. Supporting Faculty

1. Charlotte Smith, PhD – Environmental Health Science

Environmental Health Lecturer, University of California, Berkeley School of Public Health

2. Peter Dailey, PhD – Microbiology

Lecturer, University of California, Berkeley School of Public Health: Division of Infectious Disease and Vaccinology

3. Thomas Carlson, MD

Associate Teaching Professor, University of California, Berkeley Integrative Biology

4. Wayne Getz, PhD – Zoology

Professor Wildlife Ecology, University of California, Berkeley College of Natural Resources

9. Additional Information

The One Health Student Initiative is a conjoined effort between undergraduate and graduate students at the University of California, Berkeley, across disciplines (public health, biology, environmental sciences, and medicine) to educate one another and their respective communities on issues and approaches to global human, animal and environmental health. Discussed topics include Infectious Diseases, Comparative Medicine, Ethnobotany, Biodiversity, Ecosystem Health, Climate Change, and Human and Animal Rights
